PAR RADIOPAQUE BONE CEMENT

- Standard viscosity
- ISO 5833 standard
- Excellent handling characteristics
- Unique dynamic mechanical properties
- Working time appropriate to the type of application
- Application period of application type
- Reduced mixing time

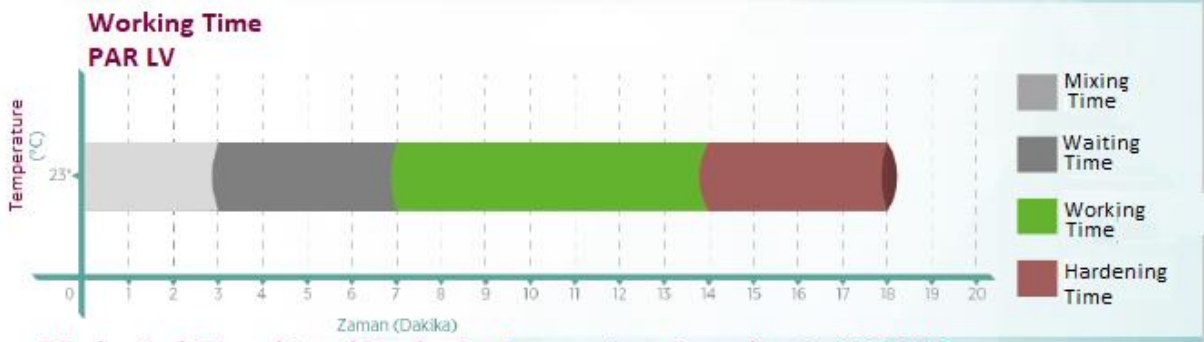

Mechanical Strength and Hardening Temperature According to ISO 5833

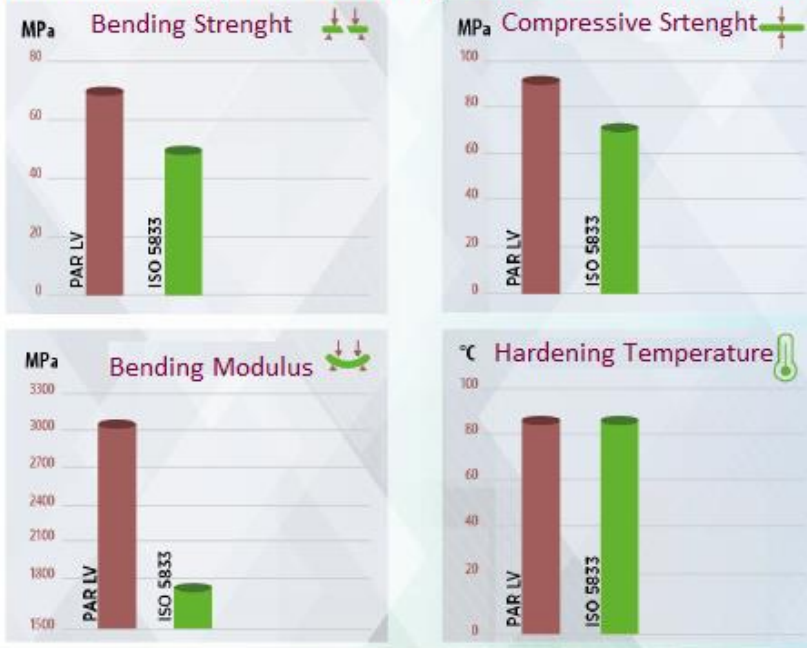

Doğanlar Mah. 1411/1 Sok. No:28/A Bornova/İzmir
www.ortizmedical.com.tr

- Low viscosity
- ISO 5833 standard
- Ideal for minimally invasive surgery
- Excellent handling characteristics
- Unique dynamic mechanical properties
- Working time appropriate to the type of application
- Reduced mixing time

Mechanical Strength and Hardening Temperature According to ISO 5833
